

CONFEDERAZIONE ITALIANI NEL MONDO

WITH BORGHI MAGAZINE

With the national conference held on October 23th in Rome, the collaboration between the CIM (Worldwide Italian Confederation) and Borghi Magazine, the official magazine of the most beautiful villages in Italy, began. Cim's commitment to art, culture, food and wine and tourism have made natural the encounter with the monthly magazine that tells about the uniqueness of the villages and their extraordinary heritage with the collaboration famous personalities, including Vittorio Sgarbi and Filippo La Porta. Borghi Magazine represents a way of life to be shared: hence the choice to stipulate an agreement that allows you to sign up to annual subscriptions at decidedly affordable prices
